How to choose your German course

Information for CSE/EE-students

SUMMER 2018
German courses – for CSE/EE-students

Step 1

Placement test

How to take the test
Please take the placement test in room 321. You don’t need an appointment (but check the opening times).

Everybody must take the placement test.

What kind of test is it?
It is not a grammar or vocabulary test. It is a gap-filling test that will test your feeling for the language. You can prepare for it with sample tests on our homepage.

Please note your test score, you will need it for the pre-registration!

More information
Visit our website to find more information about the test.

Step 2

Choose a course

Check your course level
After the test you will receive your score. Each score corresponds to a certain course level.

Depending on your score you can find your matching course level.
For example:
0 – 45 points = level A1.1
46 – 90 points = level A1.2

Choose a course
We offer different course times for every level. The second step is to choose the course at your level and with the time that fits your schedule best.

Please note your test score and your choice of course for the pre-registration.

Course program

Step 3

Pre-registration

Registration period
At the end of every semester there is a period when you can pre-register for the next courses.

It is not possible to register earlier.

How to pre-register
In order to attend a course, you will need to pre-register online. If it is your first or second German course here, fill in the web form for CSE/EE-students.

If it is your third course or more you must pay a course fee and you can register online like all other students.

Online registration
Visit our website for the CSE/EE or regular web form.
