How to choose your German course
General information for students, PHD students and employees

SPRACHENZENTRUM
German courses – general information

Step 1

Placement test

How to take the test
Please take the placement test in room 321. You don’t need an appointment (but check the opening times).

Everybody must take the placement test.

What kind of test is it?
It is not a grammar or vocabulary test. It is a gap-filling test that will test your feeling for the language. You can prepare for it with sample tests on our homepage.

Please note your test score, you will need it for the registration!

More information
Visit our website to find more information about the test.

www.sprachenzentrum.uni-rostock.de/en/participation/einstufungstests/placement-test-for-german-courses/

Step 2

Choose a course

Check your course level
After the test you will receive your score. Each score corresponds to a certain course level.

Depending on your score you can find your matching course level.

For example: 0 – 45 points = level A1.1
46 – 90 points = level A1.2

Choose a course
We offer different course times for every level. The second step is to choose the course at your level and with the time that fits your schedule best.

Please note your test score and your choice of course for the registration.

Course program
Visit our website to find the current course program.

www.sprachenzentrum.uni-rostock.de/en/languages/sprachen-a-d/german-as-a-foreign-language/

Step 3

Registration

Registration period
At the end of every semester there is a period when you can register for the next courses.

The next registration period is:
14th March – 13th April 2018

It is not possible to register earlier.

How to register
In order to attend a course, you will need to register online. Visit our website and follow the button „Einschreibung“ („registration“). Fill in the web form.

www.sprachenzentrum.uni-rostock.de
(Our welcome page.)

Confirmation and course fee
If you have been registered successfully you will receive an email from the booking system. This email provides you the course information and banking details.
